

Straight From New York Pizza

has been serving Salem for over twenty years.

We are an independently owned restaurant, committed to providing the highest level of service to our customers and local communities.

Our philosophy is simple. We use only the finest ingredients in our mission to provide authentic hand made pizza in the style of the great New York neighborhood slice shops.

By the slice or buy the pie, find out why we have customers from all over Oregon and the United States (many have regulars for over 20 years). For our New York visitors and expatriates living in town, we are a little taste of home.
